

Babel::Network::NetworkClient

```
graph BT; User --> Babel::Network::NetworkClient
```

A diagram illustrating a user interaction with a network client. It consists of two rectangular boxes. The top box contains the text 'Babel::Network::NetworkClient'. The bottom box contains the text 'User'. A vertical arrow points from the top of the 'User' box to the bottom of the 'Babel::Network::NetworkClient' box, indicating a directed relationship or interaction from the user to the client.
